POLICE NEWS

CASTLEFORD NPT

CASTLEFORD TOWN CENTRE

Your Castleford NPT have been active in the Town Centre. A male was arrested on suspicion of shoplifting and another male was arrested after allegedly stealing from one store on 12 separate occasions. Officers have dispersed numerous individuals out of Town and instructed them not to return within 24 hours after a Dispersal Authority was signed off for the area.

This order is something that has seen success recently and we will continue with this in the future. Unfortunately the legislation only allows temporary use of the order. Other individuals have had alcohol taken from them using the powers provided by the Public Spaces Protection Order. Contrary to what some may think, Castleford does not have an alcohol exclusion zone. The area has an order that allows for people to be asked to surrender alcohol they are drinking at that time, and they commit an offence if they don't do this. Thank you for your positive feedback on the work we are carrying out in the Town Centre. We will continue to ensure it is a safe environment to shop and visit.
